

Late Collection and Non-Collection

At Grantham Farm Montessori School we have morning, afternoon and all day sessions. Parents are able to collect their child from the school flexibly within this time period asking them to be no later than the session end time; for example, if they attend the morning session we expect children to be collected no later than 12.30pm, and afternoon/all-day sessions no later than 4.00pm. We understand that some parents may arrive earlier to collect their child, this is acceptable. However, the full fees still remain in place for the allocated session times.

We give parents information about the procedures to follow if they expect to be late. These include:

- Calling the school as soon as possible to advise of their situation and expected time of arrival
- Agreeing a safety password with the school if or when the child is to be collected by a designated adult, who is anyone who is not the parent, nanny or grandparent for whom we have written parental permission to collect the child on a regular basis
- Ensuring two emergency contacts are made known to staff with written permission being given
- Informing the school of the identity of a designated adult so that the school can talk to the child if appropriate. This will help to reduce or eliminate any distress caused by this situation
- If the designated person is not known to the school staff, the parent must provide a detailed description of this person, including their date of birth where known. This designated person must know the individual child's safety password in order for the school to release the child into their care. This is the responsibility of the parent.

If a child has not been collected from the school after a reasonable amount of time (20 minutes) has been allowed for lateness, we initiate the following procedure:

- The head teacher will be informed that a child has not been collected
- The head teacher will check for any information regarding changes to normal routines, parents' work patterns or general information. If there is no information recorded, the head teacher will try to contact the parents by telephone on the numbers provided for their mobile, home or work. If this fails the head teacher will try the emergency contacts shown on the child's records
- The staff member in charge and one other member of staff must stay behind with the child (if outside normal operating hours). During normal operating times, the school will plan to meet required staff ratios. If the parents have still not collected the child, the head teacher will telephone all contact numbers available every 10 minutes until contact is made. These calls will be logged on a full incident record
- In the event of no contact being made after one hour has lapsed, the person in charge will ring the local authority children's social services emergency duty team
- The school will inform Ofsted as soon as convenient
- The two members of staff will remain in the building until suitable arrangements have been made for the collection of the child
- The child's welfare and needs will be met at all times and to minimise distress staff will distract, comfort and reassure the child during the process

- In order to provide this additional care a late fee of £30 will be charged to parents. This will pay for any additional operational costs that caring for a child outside their normal school hours may incur.
